Datasheet

Eyes and face protection

ARTISPEC® 500 ST / FF

Directly ventilated and anti-fog full protection safety goggles for coarse dust, dirt and solid particles.

The ARTISPEC® 500 is excellently suitable for protection against water splashes and dust. Micro-holes ensure breathability. The combination of breathability and an anti-fog coating means continuously clear vision.

Your advantages

- Fits over most prescription glasses
- With 99.99% UV protection
- Nose bridge with universal fit
- Flexibly adjustable elastic strap
- Good impact resistance
- EN 166

Your workspace

- Polyvalent use for activities where protection against water splashes, dust and dirt is important.
