ARTILUX
SWISS SAFETY

ARTITOP® SH700

With its modern, matt design, this innovative helmet combines great style with the highest level of safety. Wearing comfort without compromise, thanks to excellent ventilation and a strong 6-point cradle attachment. Integrated safety eyewear ensures a clear view in every situation. The durable accessory components of the ARTITOP® SH700 helmet are easily replaced and were especially developed to withstand the demands of the construction, forestry and chemical industries.

Manufactured in Switzerland
